Dear users of Recycling Preparative HPLC LC-250HS,

We appreciate your continued patronage for JAI and your loyalty to our products.

We regret to inform you that the maintenance service will be discontinued for the LC-250HS. These products have served its purpose since 2004 when they were first launched. The technical support as well as spare parts supply for these models will cease by end of 2021.

Affected models

- LC-250HS

Multiple generations of the Recycling Preparative HPLC system have been introduced. The latest lineups, LaboACE, have automated functions, smaller footprint, improved usability and efficiency to make purification steps much easier. Please explore this state of the art instrument on our website.

Thank you for your kind understanding and with best regards,

Overseas sales team
